### MESSAGE FROM THE PRESIDENT

Dear Members and Friends of Malvern Business,

We are now approaching the end of our meetings until September 2008. Our last meeting for this season will be held at the Borough Hall on Wednesday, June 11th at 5:00 p.m. This will be a working meeting, with insights and suggestions for anything that has to do with the beautification and prosperity of the Malvern Business Community. We must move forward.

We have all joined the Association because we want success for our businesses, and we want to see Malvern move forward. However, this cannot be done on wishes and hope, we need to dig in and make things happen.

I urge you to come to this meeting. My action plan for the MBPA should include everyone's input and participation.

We have one of the loveliest towns in the area and a Malvern business community that extends well beyond Malvern Borough. We have a lot to offer the public

I ask you to come to the meeting and get involved.

Have a wonderful summer, both personally and business wise, and if you have any ideas, suggestions, etc., please get in touch with me ([queenprincess@verizon.net](mailto:queenprincess@verizon.net)). I cannot promise to do everything we would all like, but I will try. I love Malvern and the Greater Malvern business community, as you do, so let's go for it!

President,  
Catalina

## **MALVERN BLOOMS -- A GREAT DAY IN MALVERN !!!**

Once again Malvern Blooms Home and Garden Show was a great success! Despite threatening skies and cooler temperatures the day went off without a hitch. King Street and Burke Park were filled with a record number of vendors this year. Many were new, but just as many were returning from previous years events. The streets and

park were filled with people shopping, listening to music, riding the hay wagon, jumping on the moonbounce, doing crafts and eating and drinking all that fantastic food!

Feedback from the participants and vendors has just been terrific . One of the best changes we made this year was the addition of more tables and chairs on the street for people to sit and socialize, or just take a rest and take in the scenery. One comment an out of townner made while sitting and enjoying a snack was " I never knew how charming Malvern was until today". Well, that about sums it up! I want to thank everyone who helped make this event our 3rd great success year over year. Even the smallest of tasks completed was a huge help. It only takes one volunteer.

**Thanks for all who helped, and thanks to all who attended.**

**K.C. Bernardine**

**PS Any more feedback, positive or negative is greatly appreciated so we can continue to grow and improve. [okcya79@yahoo.com](mailto:okcya79@yahoo.com)**
