

Dear Business Owner,

Welcome to Malvern! It is with great pleasure that we welcome you to our area and wish you the best of luck in your future business endeavors!

Please allow me to take this opportunity to introduce the Malvern Business and Professional Association. Started many years ago, the mission statement of the MBPA is being “committed to promoting growth, visibility, prosperity, making a positive impact on our community and fostering a network of mutual support amongst our members.” We are a small, local association with approximately 100 members in Malvern Borough and the surrounding area. We offer many benefits and efforts on behalf of our businesses. By aligning ourselves with larger business interests, we increase the visibility of our town and work together to create good for all.

Enclosed with this letter, please find a list of the Membership Benefits and a Membership Information intake sheet. We would love to have you join our Association in an effort to associate yourself and your business with a professional organization and to support the town. Through the opportunities set forth by the Association and its alliance with the Main Line Chamber of Commerce and the Great Valley Regional Chamber of Commerce, you can be assured that your business will be recognized and supported through many stages.

The MBPA allows for many local opportunities for involvement and training. Please see the Benefits Page in this packet for the listing of great opportunities!

Our meetings are held on the second Wednesday of each month, except for July and August. The meetings are held at different times and in different locations so that we can enjoy the sights and places in and around Malvern. You will receive a monthly newsletter to keep you informed of current events, meeting times and locations.

Again, welcome to Malvern and we appreciate your business. We look forward to hearing from you soon!

Sincerely,

Catalina Hallowell
President
